

2nd Grade Summer Reading

This summer I am asking that all incoming 2nd Graders join a summer reading program at any local library.

Each student will receive 30 points upon entering 2nd Grade in September.

I am not asking for any book reports.

All they need to do is bring in the certificate they receive from the library.

I encourage all students to read just 10 minutes every day to help improve their reading fluency.

Have a great summer; I look forward to teaching your children this coming year!

Thank You,
Mrs. Roio
