

Wishes that will benefit Everyone at St. Bruno

We are in constant need of **8 1/2 X 11 copy paper** – mainly White, but what a joy it is to have color copy paper for flyers, etc.

Desk chairs – our teachers, aides and staff could all use a proper desk chair (preferably adjustable and on casters)

Sturdy Metal File Cabinets – The school office and many of the teachers are in need of sturdy, metal file cabinets. Both 2 & 4 drawer – preferably with locks.

Standard office Supplies, do you know how many staples, paperclips, scotch tape, rubber bands, liquid glue, dry erase markers, overhead markers, brass fasteners, etc. we go thru a year.

Our **treasure box** for those Golden Book signers can always use **prizes**. These items must be child safe and small. Items we currently purchase for the box are prayer cards, pencils, religious pins, erasers, key chains, little plastic birds, reptiles, animals, etc. Be creative – items that appeal to the older students and others that appeal to our little one.

The School Office can always use **Postage Stamps**.

Ink Cartridges are always in demand (some are a minimal cost and others a huge expense). Give us a call if you would like to inquire about donating ink for one of our printers – let us know whose printer and we will give you the item code, the printer name & cartridge type... the teachers have inkjet printers – mostly Epson – the computer lab has a Samsung laser printer – School office printers are Epson and Hewlett Packard – our fax machine is a Canon.
